

PENNSYLVANIA STATE USBC YOUNG DIRECTOR PROGRAM

About the Young Director Program

The Young Director Program is designed to encourage younger participation within our Board and provide a new perspective. We hope that this will promote a lifelong engagement in USBC governance and administration.

The Board highlighted the desire to recruit new leaders interested in governance of the sport. This program is our hope to do just that, by appointing two individuals that meet the guidelines below to ex-officio positions on the board. The two individuals will have voice at Board and Committee level, but no vote at this time. It is our intent that after a successful year of this program that we would amend our bylaws to turn the position into full board member status.

Applicant guidelines:

- Must be a USBC member between the ages of 18 and 25 within the State of Pennsylvania.
- Must be RVP Compliant (Background screening + SafeSport Trained)
- Attend Board and Committee Meetings.
 - We currently hold two in person meetings – Fall (September) and Summer (July)
 - Two other board meetings are held via zoom – Winter and Spring.
 - Most Committee meetings are held via zoom.

Application for the position is on the following page.

Young Directors Application
