John Hricsina entered the Pennsylvania State USBC Hall of Fame because of his outstanding achievements in the game of bowling.

John is one of Western Pennsylvania's top average bowlers, finishing this season with a 223 average for 93 games the highest ever recorded in the Venango County Bowling Association. He has rolled eight (8) sanctioned 3 games, one (1) 299, and two (2) 298 games. He has two (2) sanctioned 800 series, the highest being an 810 in 1979. Of his eight 300's the first was bowled in 1975 and the last two were bowled this year. Also, the eight 300's have been bowled in seven different bowling centers. On the national level, he has compiled a 193+ average in the last 13 ABC Tournaments. He has made the finals of the prestigious ABC Masters several times, his best finish being 7th place in Tampa. He has been a member of the P.B.A. since 1981, and while bowling mainly in regional tournaments, he has bowled in 14 national PBA tournaments and has cashed in 11 of them.

His list of tournament championships is much too long to note here, but all Western Pennsylvania bowlers know of his accomplishments in tournaments in their area as well as the Ohio area.
