

STAR OF TOMORROW AWARD RECIPIENT

KAYLEE HOUY

YEAR AWARDED: 2022

BEAVER FALLS, PENNSYLVANIA

Kaylee is graduating from Blackhawk High School where she carries a 3.85 GPA. She will be attending High Point University, in High Point North Carolina. Kaylee has participated in 17 PA State USBC District and State Tournaments. Her High single game is a 245 and high series is a 612.

She has held a variety of leadership roles. She was the anchor of her high school bowling team all 4 years of high school. She was the team leader for the STEM biotechnology and Tech Bowl where she took 1st place on several occasions at the regional level, and also her team qualified for the national Tech Bowl. She was the treasurer for their National Honor Society, lead coaching assistant for PAR, a golf organization teaching golf fundamentals, course mannerisms and life skills.

Kaylee also participated in non-sports related activities within her school. From 2019 to 2021 she was a Travel Club Member that plans future educational trips for the student body. She was elected as the Student Ambassador from 2019 to present. She assists and prepares middle school students for high school transition through activities and orientation. Kaylee was also elected as student council member in 2019-2020. As a Key Club member, which is a branch of the Kiwanis International Family, which serves others, she's done soup kitchens, collected personal items for our service members and holiday gifts to Senior centers. She was also a member of the Technology Student Association (TSA).

Kaylee was a member of her high school varsity golf team. Her high school team was the Class 3A state champions in 2019. She also took 1st place in the Pittsburgh's Girls Jr. Amateur Golf Tournament in 2020 and 2021 and 1st place in the Pittsburgh Women's Amateur Golf Tournament in 2021.

Kaylee involves much of her time doing volunteer work and community service. From 2019 to present, she was a coaching assistant at Bob O'Connor Golf Course in Pittsburgh teaching golf fundamentals. From 2019 to 2021 she assisted in coordinating bowling activities for Special Olympics. She also raised money for Special Olympics and was a Polar Plunge participant. In 2018 Kaylee was a member of her church group where she organized summer bible school, assisted Habitat for Humanity with a house build and coordinated youth events and social gatherings, and in 2019 she assisted the Alzheimer's Association with their fund raiser.
