**To:** League Official/Youth Program Director  
**From:** Jay E Daryman, Tournament Director  
**Date:** August 2018  
**Subject:** 2018-2019 Pennsylvania Handicap Scholarship Singles Tournament

We enter our fourth year in offering this tournament that runs alongside the Pepsi Youth Bowling Championships. There are no format changes for this season. Thanks for your help in providing another opportunity for our bowlers to compete for scholarships.

**BUMPER LEAGUES/MODIFIED FORMATS** – Bowlers from these leagues cannot compete in this tournament unless they have an established average in a regular ten pin format league, see rule 3 in the USBC rule book regarding that averages from modified formats cannot be used in tournament competition.

This tournament is **not a replacement** event for the **Pepsi Championships**. This tournament is being offered to run in conjunction with the Pepsi Championships and is for all bowlers who participate in a standard ten-pin league, no modified formats permitted, not just those that feel they can't compete in the Pepsi scratch event.

This tournament will have an open entry, no league level qualifying, no extra paper work to handle other than filling in the forms for those who want to participate. Bowlers will be allowed to enter directly through an online process as a secondary option, we still prefer league coordinators to collect and process the entries as a group.

**On the last page of this packet is a form that you can use to have your bowlers complete and return to you to complete the entry process.**

All participants must have a current USBC Youth membership in good standing and bowl in a certified league that is certified through Pennsylvania Local Associations and their boundaries. As with the Pepsi Championships, this event offers:

- Compete with other youth of the same average group for awards and scholarships.
- Uses a handicap system to provide all bowlers at any skill level a fair opportunity to compete.
- Bowlers can compete in both the Pepsi Championships and this event, providing:
  - o Proper entry fees are paid
  - o Bowler is willing to compete twice at Districts. (Same Scores will not be used for each event). Bowlers who bowl in both must bowl Pepsi Scratch first.

**Once again, all entries must be postmarked by the entry deadline dates; otherwise your bowlers will not be bowling. Enforcement of this rule is imperative to alleviate the stress put on our District Tournament Directors to prepare and run a quality event.**

Thank you for all that you do for youth bowling and Thanks for your help in providing another opportunity for our bowlers to compete for scholarships.

Jay E Daryman  
Association Manager
